

NEWSLETTER 1**BECOME BUSY 2.0****BB2.0 Project**

The key priority of this project is to support young entrepreneurs by providing them with enhanced tools and resources. It addresses the challenges faced by young people, especially in the aftermath of COVID-19, and aligns with the European Commission's recovery plan. The project helps young entrepreneurs develop their innovative ideas into viable businesses.

Two learning activities will take place: C1 training for 24 youth workers in pre-incubation tools and resources, and C2 mentoring and coaching for 24 young people with business ideas, introducing them to the pre-incubation strategy and supportive tools.

IOs:

- IO1 Strategic needs analysis for the pre-incubator
- IO2 Business Plan Formulation and prototype development
- IO3 Upgrade of the Become Busy platform with a Pre-Induction Tool with Virtual Business simulation and a MOOC (Masive OpenOnline Course)
- IO4 Digital Library of educational material Open Educational Resources Pre-incubation Strategy
