Introducing the Become Busy Xelerator

Empowering Youth Entrepreneurship Across Europe

The Become Busy Xelerator (BBX) project is an ambitious Erasmus+ initiative designed to foster innovation, entrepreneurship, and social impact among young people. By providing essential tools, digital resources, and mentorship, BBX aims to create a vibrant network of young entrepreneurs and changemakers across Europe.

Project Goals:

- Equip young people with entrepreneurial skills and knowledge.
- Develop a digital platform for training, mentoring, and networking.
- Strengthen social cohesion through innovation in green, tech, and social sectors.
- Ensure long-term sustainability and impact through collaboration and engagement.

Co-funded by
the European Union

Funded by the European Union. Views and opinions expressed are however those of the author(s) only and do not necessarily reflect those of the European Union or the Youth and Lifelong Learning Foundation (INEDIVIM). Neither the European Union nor the granting authority can be held responsible for them.
