

BECOME BUSY XELERATOR

What is BBX?

The Become Busy Xelerator (BBX) is a European initiative under the Erasmus+ programme, aimed at empowering young people with the skills, tools, and mindset needed for success in today's rapidly evolving job market.

By combining entrepreneurship, digital innovation, and social impact, BBX helps young people explore opportunities, develop competencies, and take action toward a brighter future.

Our Key Actions & Activities

Entrepreneurial Labs & Skills Development Workshops

- Networking & Collaboration Opportunities with Experts
- Digital Tools & Learning Platforms for Youth
- Mentorship & Coaching for Personal & Professional Growth
- Public Awareness & Community Engagement Initiatives

Expected Results & Impact

- 01** Enhanced Employability
Young people will gain essential entrepreneurial and digital skills for career development
- 02** Inclusive & Accessible Learning – A dedicated BBX digital platform will provide open educational resources
- 03** Stronger Youth Networks
BBX fosters collaboration across Europe, creating a dynamic entrepreneurial community
- 04** Sustainable Innovation
Participants will learn how to build and scale their ideas in the green, tech, and social sectors

Results

BBX aims to provide young people in the EU with the necessary skills and knowledge to improve their employability and promote their active participation in society.

Through the implementation of interconnected phases of the 3 Xelerators that include training, digital tools & community engagement, BBX improves participants' knowledge and understanding of the labor market.
